#### Sliding Scale Tuition

Assistance is provided to qualified **Montclair residents only**. Proof of Montclair residency along with proof of qualifying household gross adjusted income must be provided to be considered. We accept Program for Parents for both residents and non-Montclair residents. Non-residents are required to pay the tuition balance after the PFP payment. Each family situation is considered on an individual basis and a tuition schedule is offered that matches the economic circumstances of the family. We will not turn any Montclair family away for inability to pay tuition rate.
